

We're Hiring!!

We are looking for the following role to be filled at our Winnipeg Office:

- **Journeyman HVAC Technician**

If you are looking to expand your knowledge, or share with the next generation, WE WANT YOU!!!

With a large array of maintenance contracts we work on everything from RTUs and Furnaces, to Chillers and Boilers.

We also have a strong electrical and automation group, so you will get to work with full building systems aswell!

We offer competitive wages, an RRSP matching program, and great health benefits.
