

We Are HIRING

Customer Manager HVAC/R or Plumbing

Lowes Mechanical Services Ltd. is seeking a **Customer Manager** to join our Service team.

This is an excellent opportunity for an individual to bring their HVAC or plumbing expertise into a customer-focused role. Whether you're a seasoned technician ready to step off the tools or a leader in the trades looking for a new challenge, this role lets you apply your technical knowledge, communication skills, and service mindset in a well-established and trusted company.

Reporting to the Service Department Manager, the Customer Manager has the following key responsibilities:

- Build Strong Customer Relationships
- Provide Technical Guidance
- Generate Revenue
- Ensure Quality and Compliance
- Support Field Team Performance
