

## 2nd Annual Next Gen Ice Fishing Derby was a Hit!

MCAM's Next Gen committee's second annual Ice Fishing Derby was once again a big hit with the mechanical contracting and engineering community.

40 people entered this year's tournament, which was Thursday, March 5 at Matlock Manitoba. The participants were picked up from the MCAM head office on 320-830 King Edward Street by Exclusive Bus Lines. MCAM President Dan Olson (ABCO) welcomed everybody before the ride there.

Upon arrival, Rock'N Roll Fisherman Todd Longley, Owner of City Cats and his crew shuttled everyone to each of their assigned Ice Fishing Tents sponsored by Randall Plumbing and Heating.

City Cats Guiding Service, is located in Winnipeg and they provided ice fishing rods and bait to participate in the derby competition. In addition to first class service, Todd's crew served up a delicious Fish Fry Lunch sponsored by E.H Price. This was the perfect way to quench everyone's appetites and was well received by everyone.

Congratulations to the Ice fishing Derby winners who were awarded cash prizes for the biggest fish, Gilles Hirman (Razar), Justin Mitchell (Emco), Joe Kaskiw (Student sponsored by Wes-man Mechanical)

The Next Gen Chairman Cory Ball (Mikkelsen-Coward), states "This Derby allows for us to network on a different level and is one of my favourite events. MCAM does a fantastic job on providing different approaches to help the membership connect."
