Maintaining Professional Standards

Membership Driven

Partnership

Quality Workmanship

MCAM Strategic Plan 2017 - 2022

Government Partnership & Advocacy

- To actively engage government departments (all levels) to promote industry issues.
- To actively engage political leaders to promote industry issues.
- To pursue current key issues.
 - Prompt Payment
 - Apprenticeship
 - Permitting
 - Office of the Fire Commissioner

Enhancing External Relationships

- To create a mechanism and forum to engage with consultants, general contractors, architects, and engineers.
- To promote the creation of a conflict resolution and mediation role of MCAM.
e.g. Contracting, Work Rules and Specs
- To enhance relationships and promote MCAM membership value perception with Owners and Procurement Groups.
- To partner with industry stakeholders.
e.g. Trade Definitions

Member Engagement & Recruitment

- To create a mechanism/forum for members to proactively engage with the Board.
- To enhance communication and promote value from the association to the membership.
e.g. Promotion of line card, website, newsletter, events
- To establish criteria and hold membership to a high standard.
- To promote mandatory membership and professional designation for MCAM members.
- To enhance networking opportunities.
 - Service Contractors, Associates, Mechanical Contractors

Education

- To support, co-ordinate and develop training for MCAM members.
e.g. Field, Office, Technical, Business Acumen, Safety
- To develop director skills and competence, including role clarity.
- To promote and educate the public on the value of MCAM Contractors and members.

MCAM Organizational Development

- To ensure the by-laws, support the MCAM Strategic Plan.
- To ensure membership fee structure supports implementation of the strategic plan and the long term viability of MCAM.
- Create a committee structure that ensures the expectations of the membership are met.

CODE OF ETHICS

Believing that business standards of a high order are essential to progress, and that they will better qualify us to serve society, we have adopted the following rules of conduct:

- Members of the Association shall take a professional responsibility with all business functions founded on trust, and every transaction to which they are a party to shall be conducted with honour and integrity.
- Members of the Association shall promote action which will prove to be beneficial to the public interest and in the best interests of the mechanical contracting industry as a whole.
- Members of the Association shall maintain a high level of quality in both material and workmanship thereby providing the best possible service to our clients.

- Members of the Association shall abide by all applicable laws, codes, regulations and standard practices to safeguard our industry's performance for the protection of public health and the environment.
- Members of the Association shall firmly stand by the principle that all contracts, whether written or oral, be performed with the same good faith and intent with which the parties entered the agreement and any disagreements should be resolved by negotiation or arbitration, in preference to legal action.
- Members of the Association shall promote fairness in dealing with their employees, treating them with respect and assisting and encouraging their intellectual and skill development.
- Members of the Association shall support, and shall encourage their peers to support the policies and objectives of the Association, both nationally and provincially.
