

MCAM Golf Extravaganza Jamie McNabb Memorial Tournament August 10th, 2023

The Mechanical Contractors Association of Manitoba hosted a successful golf tournament on August 10th at Breezy Bend Golf & Country Club. The event drew a strong participation with 172 golfers taking part in a day filled with camaraderie and excitement.

The tournament was more than just a golfing experience; it featured a variety of engaging activities that added to the fun and competitiveness of the day. Each hole was creatively designed to host activities by different sponsors. From challenging games and contests to hole-in-one challenges, participants had the opportunity to showcase their skills and win prizes throughout the course.

As participants enjoyed the outdoors and their rounds of golf, they were treated to a wide spread of food and beverages, including eats from Boston Pizza, Champs, Tot Wheels and Donut Forget Your Coffee.

Through the generosity of participants, sponsors, and attendees, a total of \$3,866.50 was raised for the Samantha Mason Foundation, a cause close to the hearts of many. Additionally, an impressive \$3,830 was contributed to Siloam Mission, further showcasing the compassion and social responsibility of the association and its members.

After the tournament concluded, a reception was held in the clubhouse, providing a chance for participants to unwind and socialize. It was a memorable day that combined sport, entertainment, and networking!

THANK YOU 2023 GOLF SPONSORSHIP TEAM
