

1st Annual Curling Bonspiel April 17, 2025

On April 17, 2025, MCAM brought back its annual Curling Bonspiel at the Fort Rouge Curling Club, the first held since 1991. The event sold out with 12 teams participating.

Teams competed in a full day of curling and friendly rivalry. The top four teams included Neon Surge (EMCO), Armour Mechanical (Derksen Plumbing & Heating), Grim Sweepers (Trotter & Morton), and EquipVic (Equipco). After several exciting rounds, Neon Surge won the tournament and was also awarded Best Dressed for their neon outfits.

The day was filled with great food, drinks, and networking. A 50/50 raffle added to the fun, with Cory Gray of Thermo Applicators taking home the cash.

The return of the bonspiel was a clear hit with members!
