

Next Gen Ice Fishing Derby February 6, 2025

MCAM's Next Gen 7th Annual Ice Fishing Derby sold out in record time. On February 6th, 2024, over 65 participants gathered in Matlock, Manitoba, for a day of ice fishing and friendly competition.

The morning kicked off with breakfast on the bus as participants made their way to the lake.

Once on the ice, participants were transported by Kannuk Outfitters and their crew to various ice fishing tents, shacks, and ice castles. Lunch was delicious fish fry, along with a BBQ and all the fixings.

The weather was cold but the competition was heated. After a day of fishing, the winners were announced:

- 1st Place: Tim McPetrie, Flocor – 26.5"
- 2nd Place: Ron Kotowich, Black & McDonald – 24"
- 3rd Place: Todd Mault, Southwest Fire Protection

A big thank you goes to all the attendees, sponsors, and volunteers who made this event a success. We look forward to seeing everyone again next year!
