

Greetings,

We are excited to extend a special invitation once again to your organization to participate as an exhibitor at RRC Polytech's **Skilled Trades & Technology Career Fair**, proudly supported by Qualico. This event connects students in civil engineering, construction trades, transportation, manufacturing, and more with employers and industry leaders like you.

Event Details

- **Date:** November 5, 2025
- **Time:** 11:00 a.m. – 1:30 p.m.
- **Location:** RRC Polytech, Notre Dame Campus – North Gym
- **Cost:** Complimentary

At RRC Polytech, we are committed to preparing our students for successful careers by providing them with both theoretical knowledge and hands-on experience. Our Trades and Technology Career Fair serves as a bridge between our talented students and forward-thinking companies like yours.

Why Participate?

- Meet and recruit talented students eager to launch their careers
- Showcase your company to the next generation of skilled workers
- Build connections with peers and potential collaborators
- Support the future workforce in trades and technology

Booth space is limited and available on a first-come, first-served basis. **Please register by September 19, 2025**, to reserve your complimentary space.

[CLICK HERE TO REGISTER](#)

For questions, please contact **Krista Michie** at kmichie@rrc.ca.

We look forward to welcoming you to campus and connecting your organization with the future of Manitoba's skilled trades and technology workforce.

Sincerely,

Derek Kochenash

Dean, School of Skilled Trades & Technology
