

# CANADIAN DOMESTIC LESS-THAN-TRUCKLOAD (LTL)

## PREFERRED PRICING PROGRAM

Mechanical Contractors Association  
of Manitoba (MCAM)

### Canadian Domestic LTL (Less than Truckload)

Day & Ross is excited to be partnering with Mechanical Contractors Association of Manitoba (MCAM) to offer promotional Canadian domestic LTL pricing to all membership. Day & Ross operates more than 40 terminals across Canada, with coverage in all provinces, providing direct service to over 90% of the Canadian population. Below are some of the highlights of the pricing program:

- Negotiated freight discounts from all points in Canada inbound to Manitoba, with specific focus on Winnipeg, Brandon, Steinbach, Winkler and Portage La Prairie. The same is offered for outbound Manitoba to all points in Canada. Point-specific lanes can be added upon request for shipments originating from or destined to rural areas.
- Discounted accessorial fees for pickups/deliveries to private residence/limited access areas (schools/universities) and construction sites, as well as for liftgate/tailgate service where available.
- FCA (Freight Carriers Association) fuel pricing for LTL shipments up to 10' of trailer/10,000 lbs and 85% of our posted Day & Ross fuel program for larger shipments and truckloads.
- MCAM exclusive account manager, with over 17 years experience in the logistics industry, to guide membership in account setup and assist with any logistics-related questions or concerns.
- Private credentials for the Day & Ross shipping portal allowing instant accessibility to quoting, booking pickups, creating shipping documentation, tracking shipments and managing invoices.
- Access to all other offerings provided by Day & Ross including truckload, flatbed, intermodal and international ocean/air services.
