

February Lunch & Learn February 29, 2024

The MCAM Lunch and Learn event at Holiday Inn Express on February 29, 2024 featured insightful presentations and valuable networking opportunities.

Attendees kicked off the event with exhibits sponsored by DGH Engineering and Sunbelt Rentals, showcasing their services and offerings.

Michael Watson from Apprenticeship Manitoba shared valuable resources for employers supporting workforce education and exam readiness, demonstrating the ACB Website's tools with a focus on plumbing examinations.

Ed Lohrenz, founder of GEOptimize Inc, discussed optimizing geothermal heat pump systems for cost-effectiveness and longevity, providing real-world examples of successful projects in similar climates.

Keep an eye out for future MCAM events in 2024, offering ongoing education and networking opportunities for members.
