

MCAM and ECAM were proud to host the first ever joint Holiday Reception on December 8th at James Avenue Pumphouse. Built in 1906, the Pumphouse represented ground-breaking technology in the Mechanical field and drew audiences from around the world to see it in action. The rich history of this incredible restaurant makes it the perfect venue to host this event!

Guests enjoyed a variety of appetizers including fried chicken, prawns and Mediterranean flatbread. There was limited, but tasty drink menu which featured special cocktails including espresso martinis and paper planes.

Aaron Shorr complimented the ambiance of the evening by providing musical entertainment with his jazzy guitar.

There was an impressive Job Box and Wine raffle sponsored by Kal Tire and United Rentals featured at the event. ECAM vice chair, Dave Cook of Static Electric was lucky enough to win the prize!

Thank you to our Job Box and Wine Raffle Sponsors
