

4TH Annual Next Gen Ice Fishing Derby was a Hit!

MCAM's Next Gen committee's 4th annual Ice Fishing Derby was once again a big hit with the mechanical contracting and engineering community. This year's title sponsor was Equipco LTD.

50 people entered this year's tournament on Wednesday, March 2 at Riverton Manitoba. The participants were picked up from the MCAM head office on 320-830 King Edward Street and hit the road at 8:00am sharp!

Upon arrival, Kannuk Outfitters and their crew shuttled everyone to each of their assigned Ice Fishing Tents. This year's shuttle sponsor was IG Wealth Management

Kannuk Outfitters, is locally owned in Winnipeg and they provided ice fishing rods and bait to participate in the derby competition. In addition to first class service, their crew served up a delicious Fish Fry and bbq shore lunch. This was the perfect way to quench everyone's appetites and was well received by everyone.

Congratulations to the Ice fishing Derby winners Ryan Baker who was awarded a custom sweater and Engineered Air was awarded swag for catching the most fish for the day!

Derek Curtis (EMCO) stated "Was great to put some faces to folks I've been dealing with for years over the phone and emails"
