

MCAM's Next Gen 6th Annual Ice Fishing Derby sold out in record time and boasting a remarkable turnout. Equipco and Thermo 2000 took the spotlight as the 2023 Title Sponsors.

The day began with a breakfast on the bus en route to Matlock, Manitoba, where over 60 participants eagerly gathered on the ice.

Kannuk Outfitters provided gear and guides, ensuring each participant was well-equipped for the day's activities. Kannuk served up a freshly caught fish fry and bbq with all of the fixins!

Congratulations to the winners:

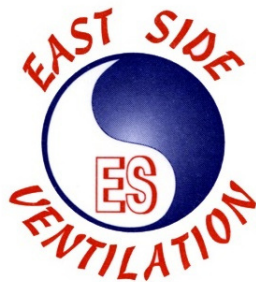

- Longest Fish: Chase Murray, Midwest Engineering (28")
- 2nd Longest Fish: Cole Ridd, Engineered Air (24.5")
- Hidden Length: Jaycen Goodman, Randall Plumbing & Heating, who caught the fish closest to the predetermined hidden length (14.5")

Thank you for making this year's Ice Fishing Derby an unforgettable experience for all involved.
