

Inspection and Technical Services (ITS) is no longer apart of the Office of the Fire Commissioner (OFC) and is now apart of the Municipality Relations Department. Nothing has changed with regards to our contact info as with our location and mailing addresses.

ITS will continue to administer and enforce provisions of the following legislation and related regulations:

Amusements Act and Elevator Act

Building and Mobile Homes Act

Electrician's Licence Act

Gas and Oil Burner Act

Power Engineers Act

Steam and Pressure Plants Act

New website can be found here: Website: <https://www.gov.mb.ca/mr/its/index.html>

All application forms and publications have been updated and can be found here:
