

Associates & Mechanical Service Contractors Advisory Councils

Lunch & Learn Recap

MCAM's Associates & Mechanical Service Contractors Advisory Councils were pleased to host the November Lunch & Learn at the Victoria Inn on November 25.

Mechanical Service Contractors Chair Larry Stefanec (Parson's Plumbing & Heating) welcomed industry members to the first in-person Lunch and Learn since the onset of the pandemic. Thank You to our Lunch sponsor, Prime Warranty and Booth Sponsor, Chem Aqua Inc.

The event started with a virtual presentation by Tim Woods, Chief Insurance Officer at Prime Warranty. He logged in via zoom from Quebec and provided an introduction of MCAM Partnership with Prime Warranty – Providing Extended Parts & Labour warranties for mechanical contractors & owners. Please contact MCAM Executive Director, Ramona Coey for more information on how you can provide your owners this added security, as well as protect yourself from labour costs not covered within current product warranties.

Karen Poetker, Partner at Pitblado Law was featured in the second segment. She reviewed the changes to the Manitoba Limitation of Actions Act; the new limitation period regime, including the reduction of the basic limitation period to two years and the ultimate limitation period to 15 years.

Bill Playford(Mac-Tower) says, "I look forward to what topics will be discussed at their events. MCAM is doing a fine job in pinpointing and addressing matters that are important to us!"
