

**May Lunch & Learn
May 2, 2024**

The MCAM May Lunch & Learn, held at the Holiday Inn Express on May 2, 2024, and sponsored by Aon, provided an opportunity for industry professionals to gather insights and network. The event began with attendees visiting the DGH Engineering booth while enjoying coffee.

Doug Baird, Senior Vice President and National Director of Sales for Aon's Construction Services Group, delivered a presentation on "Builder's Risk Insurance Trends," offering practical strategies for mitigating risks for mechanical contractors.

Following suit, Ryan Orlesky, with Inspection and Technical Services, provided insights into Pressure Welding and Brazing Licenses, focusing on regulatory compliance and industry standards.

As the event concluded, attendees left with a better understanding of industry trends and valuable connections. Stay tuned for future MCAM events in 2024, offering further educational and networking opportunities for members.
