

# 2022 MCAM PIONEER INDUCTEE

MCAM has nominated Garth Evans as this year's Pioneer Inductee!

A Pioneer is a person who has made a significant contribution to the Mechanical Industry by demonstrating actions characteristic of a Pioneer; innovator, inventor, forerunner, developer or creator.

This contribution may have been in the form of service to the association through strategic planning and volunteering or ideas and/or actions directly impacting the functioning of the Industry through activities such as driving legislation, mentorship and innovative change.

Garth is a professional mechanical engineer- Graduated from University of Manitoba. He started his career in the mechanical industry, with the consulting firm Scouten Mitchell Sugrdson (SMS Engineering. Garth found his passion in sales when he left SMS and moved on to Engineered Air. Garth opened Midwest Engineering in 1996, quickly expanding into the western markets.

After 20 years Garth sold Midwest Engineering to his employees. and during his time at Midwest Engineering he also developed an HRV product called Tempeff where he spent his last remaining years as president.

MCAM is celebrating the induction of Garth Evans on October 13 at St. Charles Country Club.
