

Pioneer Night October 12, 2023

Left to right: Julien Lafleche, Ramona Coey, Eric Henstridge, Mark Vanderwey and Dan Olson.

Pioneer Night, held on October 12th at St. Charles Country Club, was an event celebrating MCAM Pioneers and the induction of Eric Henstridge into their ranks.

The evening began with a reception featuring passed hors d'oeuvres and a live jazz trio. Following the reception, guests enjoyed a sumptuous three-course meal. Eric's induction was the highlight, recognizing his significant contributions to the mechanical industry and MCAM. Pioneer Night also provided an opportunity for the pioneers, to come together and celebrate their shared history and achievements.

Two recipients from Red River College Polytech received the William J. Atkinson awards, showcasing commitment to the field. Cole Peterson (Level 1, Refrigeration) and Tanner Rooke (Level 2, Plumbing) were the recipients.
