

Next Gen Scotch Tasting Event

Recap

Sponsored by IG Wealth Management, MCAM's Next Gen Advisory Council was excited to host the 3RD annual Scotch Tasting event at Kitchen Sync, November 18.

Ben Suryavanshi, Senior Financial Consultant and Daniel Gougeon, Executive Financial Consultant from IG Wealth Management welcomed those in attendance and provided greetings. The event featured Paul Shack (Nor-Tec Group Ltd.), a founding member of the Winnipeg BIM Community. Sommelier Darren Raeside provided a Scotch Tasting & demonstration for the Next Gen group in attendance following Paul's presentation on BIM. Dinner was catered by local restaurant King & Bannatyne.

Next Gen Chair Cory Ball (Mikkelsen-Coward), says, "MCAM allows us to network on different levels. This approach helps us break down industry barriers."

Next Gen Member Cory Gray (Thermo Applicators) says, "Next gen gives us a space to consider how the wheel could be reinvented with fresh perspectives and emerging concepts."

Who/what is the MCAM Next Gen?

MCAM Next Gen is an Advisory Council to the Board of Directors. Next Gen members are 40 years and younger and have been identified by their employers as upcoming leaders. The Advisory Council, comprised 15 members representing a cross section of the Industry, 2 Board Representatives and the Executive Director provide valuable feedback to the Board of Directors through the lens of the Next Generation.
