

# A MESSAGE FROM MCAM PRESIDENT- Julien Lafleche

## September Board of Directors Meeting Highlights

The MCAM Board of Directors is comprised of a cross section of Industry members; Residential through Heavy Industrial, urban and rural, sub-contractors, engineers and associate members. The Board meets monthly September through June and is served by standing committees, advisory councils and working groups.

#### Manitoba's Gasfitter Certification in Saskatchewan

Stephen Friedt, Chief Inspector of Gas & Plumbing at TSASK, outlined the process for accepting Manitoba's Gasfitter Certification in Saskatchewan. Interested individuals can visit tsak.ca, navigate to the gas licensing section, complete the Gasfitter/Contractor application, upload their Manitoba qualifications, and await TSASK's verification via ITS. Once verified, applicants can pay the required fee for a 1–4-year period. It's important to note that regulated work necessitates a permit, which only licensed contractors can apply for.

#### **Apprenticeship Manitoba Awards of Distinction**

MCAM is proudly sponsoring the Apprenticeship Manitoba Awards of Distinction and will be present at the event set for November 15th. The Gala celebrates those individuals who have devoted their expertise and energy to mentoring apprentices and elevate the profile of apprentices and certification in skilled trades. See more HERE.

#### **MCAM Golf Tournament**

The Jamie McNabb Memorial Golf Tournament was a sold-out event bringing over 170 golfers from member companies. The Tournament took place Thursday, August 10th at Breezy Bend Country Club. The Golf Committee and Board of Directors agreed the new format provided opportunity for all interested members to participate. Read highlights from the event HERE.

#### **O&M Manuals and Trade Definition Concerns**

An MCAM working group met with ECAM and ACEC to address O&M Manual and Trade Definition concerns. The working group identified a best practices O&M Manual checklist would be an asset for industry. Further, additional awareness efforts of the Manitoba Trade Definition Resource with the consulting community is required. The MCAM Board agreed and directed MCAM to continue with this collaborative project.

#### Oil and Gasfitter Exam Prep Course

A working group was established to consider demand for an exam preparation workshop for Oil and gasfitter exam preparation. MCAM representatives met with Apprenticeship Manitoba as well as communicated with ITS, reviewing course demand and completion rates. Apprenticeship Manitoba has a specialized exam readiness tool in place, enabling individuals to assess their readiness for further education or to take examination itself. The working group will review the information provided and provide recommendations to the Board of Directors.
